### SPECIAL DECEMBER GLAD SALE

---

---

The Bulb Situation: The economic situation is on the upgrade and is being reflected in gladiolus bulb sales. All fall there has been an increased heavy buying by greenhouse operators and southern bulb growers. Several stocks that we handle have been seriously depleted so that we are now holding back on these varieties to serve our retail customers. We put out this price list in order to give our former customers and friends a chance to reserve their bulbs while the stocks are still intact. *Buy now and be glad.*
